

AMTRA

59 Greenwood Park
Pittsford, New York 14534
October 30, 2011

The Association of Mathematics Teachers of the Rochester Area (AMTRA) is hosting a Conference on Saturday, March 24. This workshop will provide training for K-16 educators interested in enhancing the teaching of the common core math standards through the use of technology.

You are invited to exhibit at the AMTRA conference at St. John Fisher College in Pittsford, N.Y. Exhibitors may begin setting up at 7:00 a.m. on Saturday. Student helpers will be available to assist you. The exhibit area will be open all day with an extended period of time for participants to view the exhibits during the lunch break from 11:30-1:00. The conference ends at 3:00. Lunch will be provided for each exhibitor.

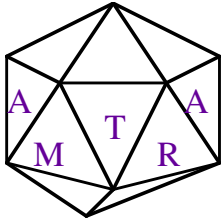

There is an exhibitor's fee of \$100 for one table (\$125 for two tables) plus the contribution of a door prize. We anticipate up to 200 conference participants.

Your company is also invited to sponsor (or co-sponsor) a food event during the conference. For your support and contribution, your company's name will be included in the program and special recognition will be made at the conference.

If you are interested in exhibiting and/or sponsoring a food event during the conference, please fill out the enclosed form and return it by January 31, 2012. We look forward to your participation and support.

Sincerely,

Karen Morris
AMTRA Board Member
